Sub: Disclosure under Regulation 30 and 51 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Restart directions received from the Maharashtra Pollution Control Board (“MPCB”)

Dear Sir/Madam,

In furtherance of our letter dated November 4, 2023, pursuant to Regulation 30 and 51 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and based on the compliance status report shared with the MPCB, this is to inform that MPCB has issued restart directions dated November 13, 2023, permitting to restart the operations at the Bhandup plant of the Company with certain conditions to be complied with. The Company is taking necessary steps in this regard.

We would like to assure the stakeholders that all our plants are operated consistently in compliance with applicable laws and the internal standards that we follow are tougher than the prescribed norms. There has been no material financial impact on account of shut down of the Plant during this interim period.

We request you to kindly take the above on record.

Thanking you,

Yours faithfully,
For **CEAT Limited**
